**Re: PSC Case No. 9482: In the Matter of the Application of C.P. Crane LLC for a  
Certificate of Public Convenience and Necessity Authorizing the Modification of  
the Charles P. Crane Generating Station in Baltimore County, Maryland**

Dear Judge Lawrence:

The October 5, 2018 Notice of Modified Procedural Schedule states that briefing on contested issues only shall be due by April 22, 2019. The Applicant has agreed to all of the conditions recommended by Staff and PPRP. The Applicant and BGE have agreed to a proposed condition as described in a letter filed on April 1, 2019. Therefore, as you noted at the evidentiary hearing on April 4, 2019, there are no contested issues in this case. Counsel for each party has authorized me to state that they will not be submitting briefs in this proceeding.

Please do not hesitate to contact me should you have any questions.

Very truly yours,

Diana M. Krevor
