Re: Public Comment Hearing

Dear Mayor Young:

On December 21, 2018, Baltimore Gas and Electric Company (BGE) filed an application ("Application") for a Certificate of Public Convenience and Necessity (CPCN) for authority to modify a portion of an existing 230 kV electric transmission line that runs between the Riverside Substation in Baltimore County, Maryland, and the Brandon Shores Substation in Anne Arundel County, Maryland. BGE proposes to replace the existing underground pipe-type cable along an approximate 2.25-mile stretch of the existing 230 kV electric transmission line between Hawkins Point and Sollers Point beneath the Patapsco River with overhead wire and eight support structures. The Application has been docketed as Case No. 9600.

Section 7-207 of the Public Utilities Article (PUA), a copy of which is enclosed for your information, requires a public hearing for comments on the Application be held in the jurisdiction(s) where the facility is to be constructed (§ 7-207(d)). Under the statute, this public hearing is to be held by the Commission jointly with the local governing body unless the governing body or bodies choose not to participate.

A second hearing for public comment is scheduled for December 10, 2019, at 6:00 p.m., and the hearing will be held in the 19th Floor Hearing Room at the Maryland Public Service Commission, 6 St. Paul Street, Baltimore, Maryland 21202. A copy of the Public Utility Law Judge's Notice of Public Comment Hearing is enclosed for your convenience. If there are additional options for providing, in an efficient and cost-effective manner, notice of the public hearing through other types of media that are familiar to the residents of Baltimore City, beyond those directed in the Notice, I would appreciate you identifying the same.

I request that you advise me no later than December 3, 2019, whether you wish to sit jointly with me at the public hearing. I am sending a similar letter to the Baltimore City Council President. If I do not hear from you on or before December 3, 2019, I will assume that neither you nor anyone from your office wishes to sit jointly with me; however, you and anyone from your office may, of course, attend the hearing and present whatever relevant statement you deem appropriate.

Very truly yours,

/s/ Kristin Case Lawrence
